Notes:

The Alan Peacock Trophy is awarded for the best five stableford scores from eight selected competitions.

The best 5 rounds by each player count towards their total.

COUNT identifies the number of scores counting for each player.

Where players have the same total, players are ordered by best last 9 holes (summed using the players' best scores). If there is still a tie, the best last 6 holes are matched (then last 3 holes and finally best last hole, as required).
